Ginger Candy

- **Ingredients:**
 - Fresh ginger extract (80%)
 - Cane sugar (15%)
 - Lemon juice (5%)
- **Source & Quality Grade:**
 - Hand-harvested organic ginger from Mizoram.

II. REGISTERED BUSINESSES PRODUCING THEM

Industry Registration Procedure and Required Documents in Mizoram

Entrepreneurs looking to establish a food processing business in Mizoram must register their industry under relevant state and national authorities. Below is a step-by-step guide on the **industry registration process** and **required documents** for setting up a food manufacturing business in Mizoram for ODOP

Step-by-Step Industry Registration Procedure

Step 1: Business Entity Registration

- Choose a business structure:
 - **Sole Proprietorship** – Ideal for small businesses
 - **Partnership Firm** – Requires a partnership deed
- **Registration Authority:**
 - **Registrar of Companies (ROC), Ministry of Corporate Affairs** for LLPs and Pvt. Ltd. Companies
 - **Registrar of Firms (State Government)** for sole proprietorships and partnerships

Step 2: Industry Registration under MSME (Udyam Registration)

- **Mandatory for:** Micro, Small, and Medium Enterprises (MSMEs)
- **Where to Apply:** [Udyam Registration Portal](#)
- **Documents Required:**
 - Aadhaar Card of the business owner
 - PAN Card and GSTIN (if applicable)
 - Bank details
 - Business address proof

Step 3: FSSAI Food Business License

- **Required for:** All food manufacturing and processing businesses
- **Types of License:**
 - **FSSAI Basic License** (For turnover up to ₹12 lakhs)
 - **FSSAI State License** (For turnover ₹12 lakhs – ₹20 crores)
 - **FSSAI Central License** (For turnover above ₹20 crores)
- **Documents Required:**
 - Business Registration Certificate (ROC, Udyam, or GST)
 - Food Safety Management Plan (FSMS)
 - List of food products

- Lab test report of the product

Step 4: GST Registration

- **Required for:** Businesses with turnover above ₹40 lakhs (₹20 lakhs for NE States)
- **Where to Apply:** [GST Portal](#)
- **Documents Required:**
 - PAN Card
 - Aadhaar Card
 - Business Address Proof
 - Bank Account Details

Step 5: Factory License & Trade License

- **Where to Apply:** Mizoram State Industrial Development Corporation (MSIDC) or local municipal body
- **Documents Required:**
 - Business registration certificate
 - Location map of the factory
 - NOC from Pollution Control Board (if applicable)
 - Proof of land ownership or lease agreement
 -

Step 6: Bureau of Indian Standards (BIS) Certification (*Optional but Recommended*)

- **Required for:** Quality certification and branding
- **Where to Apply:** [BIS Portal](#)
- **Documents Required:**
 - Product test report from NABL-approved lab
 - Business registration certificate
 - Manufacturing process details

Step 7: APEDA Registration (For Export Business)

- **Required for:** Businesses exporting agricultural and processed food products

- **Where to Apply:** [APEDA Portal](#)
- **Documents Required:**
 - Import-Export Code (IEC)
 - MSME Registration
 - FSSAI License

Key Documents Required for Industry Registration

Document Name	Purpose	Required for
Business Registration Certificate	Proof of business existence	MSME, GST, FSSAI, BIS
Aadhaar & PAN Card	Identity & tax compliance	MSME, GST, FSSAI
GST Certificate	Tax compliance	Businesses over ₹40L turnover
Bank Account Details	Financial transactions	MSME, GST, FSSAI
FSSAI License	Food safety compliance	Food businesses
Factory License	Manufacturing unit registration	Industrial businesses
Pollution Control NOC	Environmental compliance	Factories
BIS Certification	Quality certification	Branding & export
APEDA Registration	Export approval	Export businesses

IV. COMMON FACILITY CENTRES, ALONG WITH THEIR STANDARD OPERATING PROCEDURES FOR USAGE AND THE ASSOCIATED FEES.

Entrepreneurs can use Common Facility Centers (CFCs) for manufacturing, processing, packaging, and quality testing.

Example CFCs in Mizoram:

1. **Zoram Mega Food Park (Khamrang, Kolasib District)**
 - Facilities: Cold storage, drying units, packaging

- Usage Fees: Based on processing capacity

2. **Mission Organic Mizoram (MOM) Processing Units**

- Facilities: Organic processing for turmeric, ginger, and passion fruit

V. Applicable schemes for branding, packaging and export promotion

The PMFME Scheme, under Aatmanirbhar Bharat Abhiyan and MoFPI, supports individual and group food processing enterprises. It includes assistance for marketing and branding—covering common branding, packaging, and product standardization—determined by the SNA. Proposals must be prepared by the SNA, with support capped at 50% of total expenditure and subject to a prescribed maximum grant.

The State Nodal Agency (Directorate of Commerce & Industries) has facilitated beneficiary participation in key food processing events like World Food India 2024, North East Food Fest, and others. Though few beneficiaries attend, these events help promote local products, boost exports, strengthen the state's economy, and inspire youth to join food processing.
